

"The Australian Elvis Show" is bloody marvellous. The best Elvis tribute show I have seen. Joe Bikic is a great entertainer and his tribute to Elvis is highly worthy of the Elvis legend. The band is great and the whole show is superb. In this show we get the 50s, 60s, and 70s Elvis – lots of burning love and lots of classic Elvis. I strongly recommend this show and Joe Bikic. At the end of the show you can truly say you've been completely entertained and that Joe Bikic has left the building.
Bravo!
